Construction Tour: 15 and 50 Bridge Park Drive

July 16, 2018

South façade of 15 Bridge Park Drive (right) and 50 Bridge Park Drive (left).

Construction is ongoing at 15 and 50 Bridge Park Drive, a pair of towers by developers RAL Companies, Oliver's Realty Group, and Vanke US that anchor the southern boundary of Brooklyn Bridge Park. Designed by ODA New York, the towers have topped out at 28 (50 Bridge Park Drive) and 15 stories (15 Bridge Park Drive). Installation of the precast panel facade is wrapping up at 15 Bridge Park Drive, while the metal and glass curtain wall of 50 Bridge Park Drive has surpassed the two-thirds mark.

Southeast corner of 50 Bridge Park Drive.

When completed, 50 Bridge Park Drive, also known as Quay Tower, will offer 126 residences ranging in size from two to five bedrooms.
